View Uploaded Materials:

- From ANY Dashboard Tab with student records listed, click on “Student Record” to navigate to previously uploaded materials:
• Once in the student record on the slate database, choose the Materials tab:

![Slate Database Interface]

• Uploaded Materials are ordered by date and have a description with the material category

*New materials can be uploaded here on this screen as well*

![Slate Database Interface]

• Click on the line that contains the material you wish to review

  o To view the full-size document in a viewer mode:
    ▪ Click on “Display” OR
    ▪ Click on the thumbnail image of the material

  o Use the Save, Delete, Close, and Edit buttons to continue your navigation

![Viewer Interface]
View Previous Notes from Slate Dashboard:

- From ANY Dashboard tab with student records listed, click on “Student Record” to navigate to previously recorded notes:

  ![Advising Management Dashboard]

- Once in the student record on the slate database, choose the Timeline tab:

  ![slate]

- The timeline records all interactions in chronological order
  - Advising Notes are stored as the interaction type “Form Submitted”

  ![slate]

- Click on the blue linked “Form Submitted” for the date in question to view the note
• A new window opens as a pop-up with the many details recorded within the note
  o There are sections for the Advising Notes portion, the Advising Notes for Student Access section, as well as the Advisor Follow-Up section
  o Use the scroll bar on the right to navigate to the additional information
• Use the Return, Display (opens a new tab with ALL information visible), Edit, Cancel Registration, and Export PDF buttons to continue your navigation
