Welcome to the Student Success instance of Slate! The system is currently in development and so not all functions of Slate are currently available. New features and functions will be announced here as they are ready for users. Thank you for your patience!

To request access for new users, please submit this [form](#). For Slate support, please contact our Slate Student Success Team at [osustudentsuccess@okstate.edu](mailto:osustudentsuccess@okstate.edu).

In the drop-down menu, choose **“Your Profile”**

In the **Avatar** section (next to the shadow picture):

- choose Change
  - File upload box appears
  - Select image file
  - Open
- Once the file is how you like it, **SAVE**

**Your selected photo will now appear in slate everywhere there is a space for one, including on the student dashboard**
