Online Student Training

Join your fellow Cowboys in continuing developing a supportive, safe, and healthy environment for all. Our online training portal offers various training modules for your continued education and development. Module options include:

- Active Shooter Response
- Inclusivity and Sensitivity Awareness
- Alcohol and Other Drug Awareness
- Study Skills
- Time Management
- Hazing Prevention
- and much more

All new students are required to complete the New Student Online Training that educates on mental health awareness, sexual violence prevention, and cybersecurity. OSU values the safety and well-being of all our students, and this training can serve as a catalyst for conversation and change.
